COVID 19 UPDATE	If coaches are involved in coaching more than one team they are required to wear a mask at all times with both groups they coach. Coaches masks must also be worn at all times (covering both nose and mouth) and if they are removed the teams will be warned and they can and will be penalized during a game. "Gator masks" or "buff style masks" are not approved masks for coaches to wear.	Natalie will send out an email to the masses to update everyone of public health recommended masks as a reminder.
FINANCIAL UPDATE	Based on the projected ice time and the seasons being extended for some groups. The projected budget for year end will be approx. \$8000.00. There were a couple of additional costs contributing to this (jerseys, development camps, increase in ice costs and weeks, etc.) Given it being a COVID-19 year and extending the season we are pleased with this financial outcome.	Gina will be pulling together the bills for the ice and will send these out to managers as soon as possible.
CMHF/ DARTMOUTH REC UPDATE	CMHF will continue till mid April. Their teams will be split in to two divisions and play will go	

	<p>until approx. mid-April. Dartmouth Rec will continue until the end of March with an even schedule of playing each team. According to the standings at the end of March teams will be divided for a playoff style schedule.</p>	
<p>Registration: In Camera Discussion</p>	<p>Our current policy states you can leave the association prior Jan 15th and we will prorate your registration fees. Due to extenuating circumstances regarding COVID 19 any player who has requested to leave hockey prior to Jan 30th the Assoc will pro-rate their registration fee.</p>	<p>Janie put forwarded/Rod seconded...approved.</p> <p>Revisit this policy prior to the AGM.</p>
<p>HNS PRESIDENT MEETING UPDATE Feb 23 2021</p>	<p>There are lots of discussion currently for next year. There was some positive feedback about hockey starting in Nov. They are going to look at the start/end dates for future seasons as there was positive feedback on the later start.</p>	
<p>PUCKS/ICE CONDITIONS</p>	<p>Concerns have been brought forward regarding pucks sticking to the ice.</p>	<p>This will be brought up to the rink again.</p>
<p>GAME CLOCK</p>	<p>Concerns have been brought up by the membership regarding the game clock. We did reach out to them about this and we were told it was fixed. To our knowledge only a note was put on it.</p>	<p>The executive will draft up a letter to address these concerns and forward it to the rink.</p>
